

Norcross High School Lacrosse Sponsorship Program

The Norcross Lacrosse booster club is committed to achieving excellence in the Norcross High Lacrosse programs by supporting the program financially and with volunteer support. Our teams proudly represent our great school, and we strive for excellence on and off the field by being role models for other kids and our community.

The Norcross Lacrosse booster club works with the coaches and school administrators by offering our time and service to the needs of the program. We believe that taking pride in our team and having fun in lacrosse is an integral part of Blue Devil Lacrosse. We know that supporting our program, financially or by volunteering, is the key to our success.

We hope that you will consider supporting Norcross Lacrosse as we strive to grow this exciting, upcoming sport of lacrosse in Norcross High School and Gwinnett County.
